The year 2019-20 witnessed unprecedented growth in the number of students who participated in the cultural events and competitions organised by the committee. Students showed extraordinary zeal and their participation brought glory to the institution. In the Youth Festival our skit secured the first position and went on to represent Devi Durgavati Vishwavidyalaya, Jabalpur at the District Level. The turn out of students for the Annual Day celebrations was multitudinous and a jubilant expression of happiness as one after another student performed on stage.

Students also represented college in the Mahanandi Narmada Utsav. Though the advent of Covid put a damper on the scheduled activities yet two competitions (Poetry and Slogan) were organised.

REPORT

Agenda : Awareness regarding Gender Sensitisation
Day & Date : Monday, 7 February, 2022
Time : 11:00 A.M.
Venue : Room. No. 14

The Women Empowerment Committee under the guidance of Dr. Arti Patel organised a Gender Sensitisation Awareness program for students in the College Campus. The program aimed at creating awareness among the students towards promoting equality in their home and other spaces by encouraging them to handle responsibilities.

A short film was shown to students to create an impact especially at this young age. The program was hosted by Mrs Aditi Anish Kuttappan, an introduction to the program was given by Dr. Archana Muthye, the presentation was given through the short film called "Juice" by Ms Sumona Ghosh who also summarised the message in the film. Mr. Akshay Khandekar helped technically in organising the program.

After the presentation question answer session was organised. One of the students raised his query regarding the discriminative behaviour towards boys by the society he asked by giving one example that if there is a small road accident between a boy's vehicle and a girl's, why it is considered that fault is of boy only? Questions were answered by Dr. Arti Patel, Dr. Sunita Upadhyay and Mrs Neha Pandey. Teachers explained the students about gender equity and said that gender equality refers to the equal rights, responsibilities and opportunities of women and men, boys and girls. Gender equality does not mean that women and men will be treated the same; it means that women and men's rights, responsibilities and opportunities will not be based upon their gender. The question answer session was very fruitful because the boys asked many more questions than the girls.

The students' queries were addressed and they were encouraged to participate in work related to their home both inside outside. Also, they were encouraged to ask their family members and friends to show respect to the women in their homes and society in general.

The program was attended by 42 students. The vote of thanks was given by Mrs. Achla Khare.
